## LINK WITH YOUR REFERRAL CODE

Another way is to share a Link with Your Referral Code, built into the URL. After signing in to your Member Back Office through MyZija.com, click “Enroll” in the top menu bar, and then “Distributor” Enrollment. This will open the ZijaInternational.com Distributor Enrollment process, with your Referral Code built into the URL.

A screenshot of the Zija International enrollment page. At the top, the Zija logo is displayed. Below it, a video shows a person holding a box of 'CORE MORINGA SuperMix' and a booklet titled 'BEGIN your JOURNEY'. The page is divided into three sections: 'STEP 1 - SELECT AN ENROLLMENT SYSTEM', 'TODAY'S ORDER', and a table of product systems. The 'TODAY'S ORDER' section shows a 'Distributor Enrollment Fee price' of \$20.00 and a 'Subtotal' of \$20.00 / 0 PV. The table lists four product systems: 'Builder Basic System' (\$199.95 / 150 PV), 'Builder Plus System' (\$330.00 / 250 PV), 'Builder Pro' (\$660.00 / 500 PV), and 'Builder Premium' (\$1,320.00 / 1,000 PV). Each system has an 'ADD TO CART' button. A green button labeled 'CONTINUE TO STEP 2' is located at the bottom right. A disclaimer at the bottom states: 'Statements have not been evaluated by the Food and Drug Administration. Zija's products are not intended to diagnose, treat, cure, or prevent any disease.'

Share this link with your prospective business partners or current Customers so they can Enroll or upgrade to Distributor when it's convenient for them. When creating their account, your Referral Code will be automatically added, placing them in your Downline.

## LINK GENERATOR

The third option is to create a custom link with the Link Generator. After signing into your Member Back Office through MyZija.com, click “Enroll” in the top menu bar, and then “Link Generator.”

With the Link Generator open, select which Member type (Distributor/Customer) you'd like to Enroll, the country in which they are located, their initial purchase, their Zija Rewards Purchase (or, recurring order), and then select “Generate Link”.

A screenshot of the "GENERATE NEW LINK" form. The form has a yellow header with the title "GENERATE NEW LINK". Below the header are two checkboxes: "DISTRIBUTOR" (checked) and "CUSTOMER" (unchecked). There are two dropdown menus for "COUNTRY" (United States) and "LANGUAGE" (English). A text input field for "LINK NAME" contains the placeholder "Name for Link". Another text input field for "INITIAL PURCHASE" contains the placeholder "Search For Product". A green "GENERATE LINK" button is at the bottom left, and a green "Clear Form" link is at the bottom right. Below the form is a box containing social media icons (email, Facebook), a star icon, and a URL: "https://5231288.shopzija.com/cart\_page.htm". A yellow "COPY" button is next to the URL. Arrows point to the "GENERATE NEW LINK" header and the "COPY" button.

The customized Member Back Office generated link will contain a pre-filled cart with their Enrollment System, their Zija Rewards Purchase, and your Referral Code (Member ID#)—all conveniently built into your custom URL. Your prospect simply has to click on your link, review the order details, and enter their personal and payment information—giving you the credit for the sale, and them a spot on your team.
