Elevate to Executive

As mentioned in the email you received this past week, maintaining paid-as Executive is now more flexible and valuable with the latest Compensation Plan enhancements:

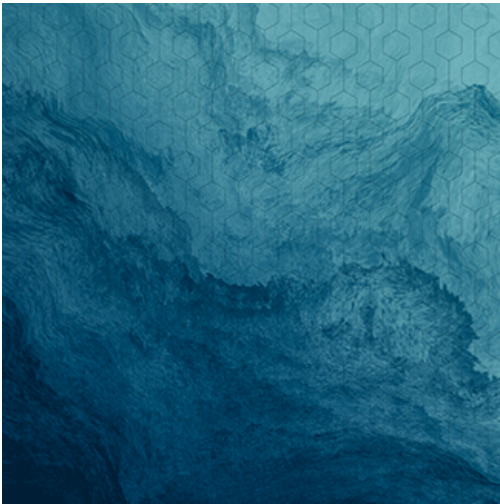

- As of Nov. 27, maintaining paid-as Executive is more flexible, requiring only a minimum of 2 paid-as Consultants on one leg and as many as 8 on the other—or any combination where 2 is the minimum on one sales team.
- Starting Jan. 1, 2024, the top-tier rank of paid-as Executive unlocks the maximum cycles of 250 per week, with Consultants, Managers, and Directors being able to earn up to 100 cycles per week.

Get all the details heading into 2024.
