## IsaBody® Updates

The IsaBody Challenge is currently transforming to become better than ever for you, your business, and those competing! IsaBody will still be a 16-week challenge and require a 500 BV purchase, but it's time the program undergoes its own transformation.

The most significant update is the addition of Mini Challenges with prize giveaways on our Instagram page. These include portable ice baths, Béis bags, gift cards, and more!

**Here's what else you'll see:**

### **January**

- Mini Challenges begin! Anyone competing in an IsaBody Challenge will be eligible to win prizes on our Instagram page [@Isabody](https://www.instagram.com/Isabody).
- The last day to earn an IsaBody completion t-shirt will be Jan. 9.
- Starting Jan. 10, earned product certificates will no longer have QV tied to them.

### **February**

- Anyone who successfully completes their IsaBody Challenge on or after Feb. 29, in Judging Period 2, will receive a \$100 product coupon.
- \$200 product coupons will continue to be rewarded to those who complete Judging Period 1, closing Feb. 28.

All affected Associates will be notified this coming week. **Please share this with your teams as well.**

We're thrilled about the future of this program and making it the best experience for all our Members!
